NOTICE

PLEASE EXCUSE THIS INCONVENIENCE

TEMPORARY WATER SHUT-OFF

The water main that serves Westwood Acres must be shut off/throttled back to low pressure for a short period of time for an investigation into the leaking valve at the intersection of Main(Rt. 197) and Westwood Acres. During this period please do not use the water.

WATER WILL BE SHUT OFF by RUD employees on Monday, June 10, 2024 at 10:00am and will be turned back on by 12:00 Noon.

There may be a discoloration of the water after service is restored, please let the water run to get rid of the discolored water. Any questions or concerns please call 207-737-4721 or 207-557-0672. Thank you.
