For the existing hydrants on the system as of July 1, 2026, there is no rate increase, and the existing rates shall be paid to the Utility for fire protection service charges as noted below:

	Quarterly	Annually
Town of Richmond	\$ 22,960.21	\$ 91,840.84
Town of Bowdoinham	\$ 302.00	\$ 1,208.00

All present and future buildings or water services owned or operated by the municipality, served or owned or operated by any present or future Town of Richmond school, sewer, or other districts, or any subdivision thereof, shall be metered and the same shall be billed at the regular filed meter rates. Further, the regular Private Fire Protection Rates, if applicable, shall also apply to the above-mentioned property. The Town of Richmond and other municipalities served shall be bound by the applicable rules and regulations as filed with this Rate Schedule.

CONNECTIONS TO SUPPLY AUTOMATIC SPRINKLERS AND PRIVATE HYDRANTS

	Rate Per Quarter	Rate Per Year
For each 2" Connection or Service	\$ 31.51	\$ 126.04
For each 4" Connection or Service	\$ 63.01	\$ 252.04
For each 6" Connection or Service	\$ 94.49	\$ 377.96
